Re: ECA Regional Environmental Monitoring and Management Report 2005-2006

Dear Stakeholder,

Please find enclosed the Regional Environmental Monitoring and Management Report for the East Channel Region. The report describes activities undertaken during the 2005-2006 period.

You will note that the CDROMs of supporting information are not included at present due to unavoidable delays in production. These items will be circulated in due course and the component files also posted on the East Channel Association website when available. The website address is included in the report and you should view the site periodically to look for updates regarding the monitoring programme and available results.

Please also note the errata described on the page overleaf.

I would be grateful if you could confirm receipt of the report by signing and returning the form below or by sending an email to rdm@marinespace.co.uk

Thank you for your input to the process to date and we look forward to hearing your comments regarding the report and activities in the East Channel Region.

Best wishes,

A handwritten signature in black ink, appearing to read "Stuart Lowe", with a long horizontal flourish extending to the right.

Stuart Lowe
Regional Development Manager
On behalf of the East Channel Association
